MAIL SETTINGS

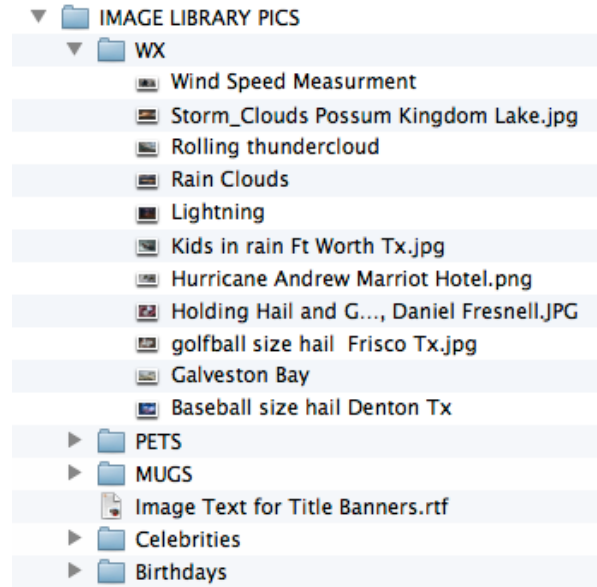

Mail Server*:

Mailbox Username*
(same as email):

Mailbox Password*:

Mailbox Port:

STEP 5: Send Images to the new account you set up FOX44@pixelbling.com . You will email images that was zipped to you. Do Not email everything in one blast. Email them in categories like Birthdays, Weather, Celebrities, Mugs, Pets, Facebook and Twitter.

STEP 6: When the images arrive and parse, You will need to add images to the albums Birthdays, Weather, Celebrities, Mugs. Then title each one according to the text document Image Text for Title Banners. You will also have to add body copy for Facebook and Twitter. Just copy and paste each line from the the text doc. This is to help show the client how it will work and look.
